All Schools Head, Administrators, Principals and Faculty Senior High Private Schools in Caraga Region

Dear School heads:

The PEAC National Secretariat in coordination with the Commission on Education (CHED) is now preparing for the implementation of the Senior High School through initiatives that will empower SHS teachers with skills and mindsets to prepare them for the transition. One of the projects is to develop retooling modules for SHS teachers, one that is focused on highlighting the potential of SHS in preparing learners to pursue higher education and lifelong learning.

In view of this, the PEAC through its National Secretariat is pleased to invite your Senior High School teachers to a training this **November 28 - 30, 2015** from 8:00 a.m. to 6:00 p.m. to be held at the **Lourdes College, Cagayan de Oro City**. This will be a three-day workshop that CHED has specifically designed for teachers of non-DepEd senior high schools. The training will cover the core clusters and we enjoin you to send **only one (1) teacher representative for each cluster**.

Cluster	Possible Subject Specialties
Communication	English, Filipino, Reading, Writing, Oral Communication
Science	Biology, Chemistry, Physics, Earth Science, Research, Engineering
Math	Algebra, Trigonometry, Geometry, Calculus, Statistics
Humanities and Social Science	Philosophy, Psychology, Art, Literature, Anthropology, Sociology, Political Science

The training will focus on the effective implementation of the Senior High School curriculum, whereby teachers will be trained on designing, assessing, and facilitating Grade 11 learning units based on the K to 12 standards and highlighting the potential of SHS in preparing learners to pursue higher education and lifelong learning.

A registration fee of **Php 1,400.00** shall be charged to each participant to defray the cost of food (6 snacks, 3 lunches) and seminar materials. **Early registration is required as participants will be accommodated on a first-come, first-served basis due to the limited training space.** Also, this will give us time to prepare the materials and other training needs.
