SUBJECT : YOUTH ENVIRONMENTAL SUMMIT
AND THE GREEN AMBASSADORS PROGRAM

DATE : 01 March 2016 (2nd invitation letter)

We cordially invite your student leaders to a 3-day awareness enhancement and capability-building event to enable them to play an active role in building Green Campuses and resilient communities. Those who will complete the program will be accorded the title “Green Ambassadors” who will become your institution’s partners in GREENing your campus.

Event: Youth Environmental Summit

Date: April 11-13, 2016

Venue: Teachers Camp, Baguio City.

Objectives: to develop the leadership and communication skills of the participants and make them Green Ambassadors who will lead in implementing activities and projects that would help mitigate the impact of climate change by initially building a Green campus and subsequently reach out also to build resilient communities.

Activities: The program is divided into three stages, building from structured activities to case analysis and culminating in presentations and critique of action plans.

Theme: “Empowering the Youth to Become Green Ambassadors and to Lead in Building Green Campuses and Resilient Communities”.

Output: At the end of the summit, participants will be equipped with a Green Ambassador Tool Kit to make them ready to collaborate with school and local authorities by incorporating the agreed action plans to the calendar of activities of the school and the communities. Green Philippines will establish a Green Campus Network and a web-based monitoring system to ensure the sustainability of the Green Ambassador Program. Starting 2017, a nationwide search will be conducted to reward and give due recognition to the 10 Greenest campuses.

Who can attend? Delegates must be incumbent or incoming officers of the Student Council, NSTP enrollees and graduates, and officers of environmental organizations who are in their junior or sophomore years. Faculty Advisers and/or NSTP Coordinators may join the delegation.

Registration. Please nominate at least two (2) but not more than ten (10) delegates per campus. Nomination letter must indicate: full name, mobile number and email address of each nominee and must be emailed to:
